EFFECTIVE PERIOD OF CERTIFICATION:

7/28/2019 – 7/27/2020

This certificate entitles its holder to receive permission to use certain words, phrases, symbols, and labels prescribed under the Agri-Food Choice and Quality Act provided that the holder first agrees to be bound and complies with the conditions governing use that are prescribed by the British Columbia Ministry of Agriculture & Lands from time to time, which conditions are deemed to be attached hereto.

This certificate is issued within the scope of accreditation granted by the CFIA (Accreditation Number COR00906003) and the Certified Organic Associations of BC (COABC). The authenticity and validity of this certificate can be verified on the PACS website under "Organic Client Directory": www.pacscertifiedorganic.ca/pacs-organic-client-directory

This enterprise is certified in accordance with: The British Columbia Organic Certification Regulation and the British Columbia Certified Organic Production Operation Policies and Management Standards, Book 1 and Book 2 as amended from time to time.

This document expires at the end of 12 months of the **Effective Period of Inspection Verification** that is identified above. Continuing certification requires an annual update of the organic production/handling plan, annual inspection and annual certification review by PACS. Failure to reapply prior to the **renewal certification due date** identified above (or by an earlier renewal date, as stipulated by the PACS office) results in a state of non-compliance which can lead to suspension and cancellation of certification.
